Responsive to the Communication mailed June 3, 2003, entry of the following Amendments and Remarks is respectfully requested. A response to the Office Action was originally due July 3, 2003.

AMENDMENTS

In the specification:

Please amend the paragraph on page 29 to read as follows:

A genetic variation can be readily obtained from a variety of public sources or can be routinely prepared using, for example, standard mutagenesis procedures. For example, a series of parent Drosophila strains, each containing one of a series of genetic variations, can be obtained from The Bloomington
